

I don't like war

Cards

Each student takes out the first 8 Food Cards (#11-18). Each student now has 8 cards.

Play

Step 1

Each student shuffles their own set of 8 cards.

I don't like strawberries.

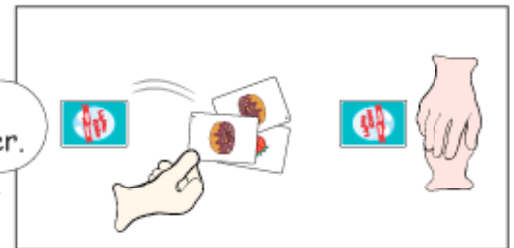

I don't like donuts.

Step 2

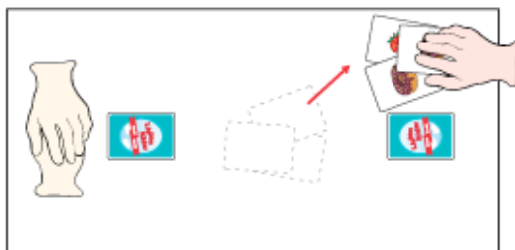

Each student places their cards, in a pile, in front of them. Student A turns over a card, placing it in the middle, and says "I don't like (card)." Student B does the same. If the cards match, go to Step 3. If the cards don't match repeat. If the last card is played and there is no match, the student who played the last card takes the cards from the middle. Play can stop here or continue as normal.

I don't like donuts either.

Step 3

When two cards match, the student who matched says "I don't like (card), either." Go to Step 4.

Step 4

The student THAT DID NOT MATCH takes all of the cards from the middle and adds them to their pile of cards. Repeat Step 2.

Winner!

The winner is the student with the LEAST amount of cards at the end.
